CAMPBELL FIELD CLOSED!

As of January 1, 2018, we should no longer be flying at the Campbell Blvd site that we have had for over 30 years. →

FIELD SEARCH - NEWS

We have entered into an agreement with the Balsa Dusters to co-exist at the Day Road flying site until we can find a permanent home for our club.

Most of our equipment has been removed from the Campbell Blvd site.

We are still looking at other sites and will be meeting with a land owner about a potential site soon. We should have an update on this property at the meeting this month. →

BYLAWS CHANGE - DUES

Please join us at the January meeting to vote on a temporary change to the bylaws. While we are residing at the Day Road site, we would change the dues to \$25 per year from \$50. This fee structure would stay in place until we find a permanent home.

We need to have a vote on this, so please join us at the meeting. →

HOLIDAY PARTY

Our annual Holiday was attended by about 10 members. They were treated to a slide show of pictures from the EAA AirVenture Oshkosh airshow that Dan attended in 2017.
