## SUMMER PICNICS

The rain out date for our first summer picnic is now **July 20<sup>th</sup> (meeting night) starting at 6PM**, with a meeting at the field around 8PM. Please make plans to attend and bring something to fly! As usual we will provide hot dogs and the fixins, along with soda and water. If you would like to bring a dish to pass, we will appreciate it. As an FYI, our second picnic will be on the meeting night in August. →

## PROPERTY SOLD

We have been told that the property has been sold and the closing is complete. So, please get out there and look for a new place for us to fly. If you see a place that looks good, let Dave R., Joe S, or Dan Y. know ASAP. We should be ok to continue flying at our current location for the rest of this year. →

## PORT-A-POTTY

Thanks to everyone who has donated so far to the port-a-potty fund. We are currently \$50 short of being able to have it for an extra full month. If you wish to donate, please get in touch with Glenn Topolski. Thanks! →

## WELCOME NEW MEMBER

We have a new member this month. Welcome to John Sperrazza! →

## FIRST AID KIT RE-STOCKED

Dave R. got us a new first aid kit that is located in the rafters of the shelter. Just an FYI, if you need to use something, please let a club officer know so that we can keep it stocked! →

## FAA REGISTRATION DELETION

For those of you who registered with the FAA for your "drone", you can now request that the FAA delete your information and if you paid for the registration, you can receive a refund. Go to: [https://www.faa.gov/uas/getting\\_started/registration\\_deletion/](https://www.faa.gov/uas/getting_started/registration_deletion/) And print out the form and send it in. →

## AVAILABLE TO A GOOD HOME

I helped someone empty out their Dad's RC stuff and have a couple of planes available to anyone who wants them. There are also some very old engines too. Contact Dan Y. at 572-5886
