## FIELD UPDATE

Just an FYI. We renewed our lease with Brauer's for the 2017 season. It looks good that we will have the field for the entire season this year. BUT, don't forget to keep looking for a new permanent home for the club. If you have any leads on a new location for the club field, please let one of the club officers know about it and we will get the field committee to check it out. We don't want to become complacent just because it looks like we have our field for the full year. We really do need to find a new home SOON. So, keep your eyes peeled. Thanks. →

## USING THE FIELD THIS SPRING

It's almost Spring. Don't forget to check the website for details on the condition of the road, pit area and flying field before heading out to get in some late winter or spring flying. Sometimes the field may be closed due to it being too wet to safely fly without causing repairs to the field. Thank you for your assistance. →
