FIELD SEARCH - NEWS

As of the writing of this newsletter, I have no updates on the new field that we mentioned last month. Please attend the meeting to find out the latest news. →

MEMBERSHIP CARDS

For those who have renewed but not yet received their new membership card, Glenn has them on order. They should be in before the meeting and he said he will bring them to the meeting. Those who don't get their card at the meeting will get it through the mail sometime after the meeting. →

STARPOINT HIGH SCHOOL RC FLYING CLUB

The Board of Education for the Starpoint High School as approved the formation of a RC Airplane Flying club. We will be building and flying foam airplanes. The first plane will be the Park Flyer called the EZ Cruiser which is a 3 channel high wing trainer. This building program will allow Brauer's Aviators to get some publicity and some new members. Hopefully it will translate into family membership. As in most schools the budget is limited, therefore I'm donating all the foam for the build and a couple of transmitters. If you have motors and ESC that are taking up space in your shop we can put them back in the air with these students. Any donation will be appreciated and used to engage these students.

ALWSD (Always Land Wheel Side Down)
