## DAYTIME SAFETY OFFICER VOLUNTEERS

Joe Suarez is taking nominations for a daytime safety officer. If you are retired (or just fly during the day), please consider volunteering for this easy position to help keep the club flying safely! →

## MEET TOM IZZARD

Tom owns the land where our field is now located. He is a very interesting person with several unique skills and talents. Tom is a 20 year Private Pilot with both tail dragger and aerobatic certificates. He also is a skydiver and for some unknown reason will jump out of a perfectly good airplane at 8,000 feet.

Tom profession is software test validation. He develops the software to test the customers test software to assure the original software is fully functional and compliant. Tom's other talents include being a volunteer fire fighter / EMT, rides motorcycles and drives a smart car. Yes that windmill in the field is also Toms.

If Tom happens to show up at the field make sure you say hello.

ALWSD, Brian →
