Webmasters:

Dave Raczka
684-2122
Joe Haniszewski Sr.
692-2433

Club Historian:

Will Burley
563-0754

AMA Instructors:

Dave Raczka
684-2122
Dan Yaeger
572-5886
Glenn Topolski
693-9848

FIELD SEARCH - NEWS

Unfortunately we have had no new news on the potential new field site at this time. We have been unable to get in touch with the owner. So, please attend this month's meeting to get the very latest news on our field search. →

WELCOME NEW MEMBER

We would like to welcome Geoffrey Krauss to the club. →

HAPPENINGS

The next auction will be on October 21st at noon at the Hamburg Fire hall. I'm sure there will be a few Brauer's club members attending the auction to buy and sell. Consider joining us there. According to Joe Suarez, the indoor racing season is starting soon for both RC Cars and Quads at R&L Hobbies. If you are interested, contact R&L Hobbies or Joe Suarez for more info.

LIPO WINTER STORAGE

As I write this it is still around 70 degrees outside, but eventually winter will be upon us. Don't forget to charge your LIPO's to the Storage setting for the winter months. The better you care for your batteries, the longer they will last. →

LOCATING HIDDEN HOLES

When I decided to go to Oshkosh this year, I needed to join the EAA. In their magazine I noticed a short article that, while for full scale planes, could apply equally well to our model hobby. They showed a 4 step process. I believe this would work just fine for mounting engine cowls. I would probably use a piece of tape and mark with the sharpie on that.
