## OUR NEW FIELD - UPDATE

The grass is growing! Joe walked out to the field last week and took a picture of the grass growing on the runway. This is a great sign for next year! Once again, we want to remind everyone that the field will not be ready for use this calendar year. Please stay away from the field for now. I haven't heard yet if the stakes for the road are in the correct place yet, but I know we were working with the Fire Chief to make sure we get them correct. →

## NEXT MEETING OCTOBER 18<sup>TH</sup>

Come join us for our October meeting. I'm sure we will be discussing things related to the field for next year; any field improvements we want to apply to the AMA for assistance with; the annual holiday party; membership renewals and the FAA re-authorization. Please plan to attend. →

## THANK YOU

The club would like to thank the anonymous donor for their \$500 donation to the club. That is Awesome! →

## FAA REAUTHORIZATION

If you haven't had a chance to read over the information on the FAA Reauthorization, please do so. Here is the AMA's position on the newly approved FAA Reauthorization Act of 2018 <https://amablog.modelaircraft.org/amagov/2018/10/02/how-the-new-bill-could-affect-our-hobby/> →
