MEETING TIME CHANGE – 7:30

It's that time of year again. Our meetings are now going to be at 7:30PM for the winter months. →

SUMMER PICNIC – FINALLY!

We finally got in the Summer picnic on the 3rd try! Unfortunately, I heard it rained the entire time that we have the picnic and meeting.

Make plans to attend the meeting on Thursday Sept. 21st for the very latest updates on our field search (see below). →

FIELD SEARCH - NEWS

We are cautiously optimistic that we have found a new field for next year. If we get the lease, the field will be behind Hi-Way Nursery on South Tonawanda Creek Road near Campbell. We have gotten through most of the questions including noise ordinances. We still need to get the owner's ok that the neighbors are ok with the noise level we will produce at the field. Glenn did get the owner's children up flying and it sounded like they had a great time.

The new field will have some good points and some not so good points. We will have a paved parking lot! Unfortunately, we will be facing South when we fly. Joe S. told me that there is a total of 8 acres plus overfly into someone else's farmland.

When/if we get the lease, we will need the full participation of the club to get the field ready for our use.

We have been told that we are done at our current site at the end of this year. The new owner will allow us to keep our stuff there for the winter, but we will need to be out come spring.

Thanks to Joe Suarez, Glenn Topolski, Brian Mau and Ray Lytle for their time and effort finding and hopefully securing us a new field (I apologize if I missed anyone).
