## OUTDOOR MEETING – WEATHER PERMITTING

Brian would like to try to get us together for a club meeting at the field in April. Weather permitting (and that includes the ground being hard enough to drive back to the field), the meeting will be held on Saturday April 10<sup>th</sup> at 1PM. An email will be sent out a couple of days before to let you know if the meeting will happen or not! Watch your inbox!

## 2021 MEMBERSHIP ROSTER

Attached is our 2021 membership roster. If your name isn't on the list, **you are currently NOT a member and should not be using the club field.** Please see Glenn Topolski (address/phone on the roster) to renew your membership! If there are any changes to your information on the list, please let Glenn know.

## FIELD NEWS – RUNWAY ROLLED

Great news to start with. Joe S. Was able to get someone to roll our runway, pit area and parking lot as the early March weather allowed the ground to be just soft enough to roll! Now for the not so great news. After the rains last week, some folks drove back to the field when it was too soft and rutted up the parking area.

**PLEASE do not drive back to the field if the ground is soft!** Please use common sense and help us to keep our club property in good shape.

## AUCTION – BOB SCHEDA'S FLEET

The winner of Auction airplane #3 was once again Will Burley. Congrats Will. Now on to Auction plane #4:

The airplane up for auction is a 1930's style "Daddy O". The wing span is 31" overall length 28" and weight with 2 cell battery 9 ounces. All servos and motor work as they should, and I test flew it with a 9X4.5S propeller. Flew well but could use a more aggressive propeller. There a small covering shrink hole that has no effect on its fly ability.

This is a calm weather flyer and handles very nicely in those conditions' Here is your opportunity to own a piece of Model Aviation history.

Bidding will be open on this aircraft **until April 25, 2021.** Please email bids to: [brauers\\_aviators@yahoo.com](mailto:brauers_aviators@yahoo.com) with a subject of "**Auction – Airplane 4**". After bidding closes, the highest bidder will be informed. In the case of a tie, there will be a 1 week runoff of the high bidders to determine a winner. The winner will be announced in the next month's newsletter. →

## CLUB OFFICER NOMINATIONS
