## AUGUST MEETING/PICNIC AT THE FIELD!

It's time for our 3<sup>rd</sup> summer picnic/meeting. It'll be on August 13<sup>th</sup> at the field at around noon. The club will provide the hot dogs, chips, soda, etc. Consider bringing a dish or dessert to pass. Hope to see you there.

## FIELD WORK COMPLETE!

The picture below shows some of the work done on our entrance road. This should help get us to our field more often during the not so dry weather! We also had the overfly mowed down this month.

## FONRA THIS WEEKEND!

Please see the attached flyer about the annual FONRA at reservoir state park this weekend. Hopefully some of the club members can make it out to watch or participate in the event.

## BATAVIA FLY-IN

Mike and Dan attended the Batavia fly-in. It was toasty, but a lot of fun. The Batavia club members were very welcoming. They do seem to fly much larger planes than we do at our field. Also, we got to watch a full-scale ultralight take off and land at the field (as they share the runway).

## AUCTION AT THE MEETING/PICNIC IN AUGUST

Conrad wants to donate yet another plane for a fund raiser. This one is an 80" Carbon Cub (1<sup>st</sup> Generation). Come to the meeting to bid on the plane. All proceeds go to the club. If you are unable to attend the meeting/picnic but still would like to place a bid, please contact Dan Yaeger (and leave a voicemail or text with your bid). Please remember that the plane will be auctioned to the highest bidder on August 13<sup>th</sup> at the picnic! As an FYI, last month's auction for the Stuka was won by Brian Mau.
