## AUGUST MEETING AT THE FIELD AT NOON

Join us for our next meeting on Saturday August 12<sup>th</sup> at noon. We'll be having a picnic at this meeting. Please plan to attend (and bring an aircraft or two to fly)! ➔

## BIG MOSQUITOES

With all the rain this year we've been receiving reports of big Mosquitoes at the field. You may want to keep a can of insect repellent in your flight bag or a Fw 190 in case you run into one of these fellas. ➔

Joe Suarez's Mosquito.

## NEW MEMBER WELCOME

Brauer's would like to welcome Russell Jagow to the club. ➔

## NATIONAL MODEL AVIATION DAY

National Model Aviation Day this year is August 12<sup>th</sup>. (Same day as our meeting) It was created to encourage clubs to celebrate the hobby and share it with the public and their local communities. The AMA is devoted to inspiring the young and young-at-heart to pursue a hobby that will inspire creativity and learning through hands-on opportunities. ➔

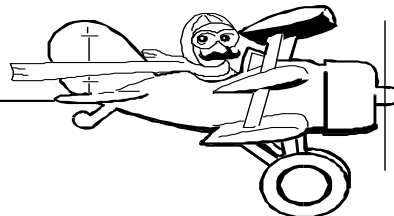

## FIELD SAFETY TIDBIT

The field safety rules are hanging in the shelter to the right of the radio board. It doesn't hurt while you're waiting for a battery to charge to glance at them occasionally. Space permitting I'd like to highlight one or two of them in each newsletter. This month let's look at:

- **It is recommended to never fly alone. An observer should be present to watch for full scale aircrafts "right of way".**

Seems self-explanatory. Besides the requirement to have another person around to assist you with situational awareness, there's also the possibility you could have a medical emergency (not just by sticking your hand into a propeller) and having someone with you to help with the finger bandages or call for professional help if it's more serious can turn what may have become a tragedy into just a bad day. ➔

## JULY MEETING HIGHLIGHTS

The Flyzone Corsair that Conrad Kantor donated was auctioned off at the July meeting. It was won by Al Herrington for \$100.00 which goes into the club treasury. Thank you Conrad and Al. ✈

Hot dogs, planes and great weather. A good time was had by all. Make sure you plan to attend our next meeting!

Larry and Walt working up an appetite.

Joe doing a control check before flying.

Kevin approves of Brian and Dick's grilling skills.

Pat getting ready to fly the F16.

Charlie, Conrad and Joe trying to decide who will take the first cookie.
