NEXT MEETING

Our next meeting will be Thursday, January 9th at 6:00 PM at the Moose Lodge 75 Washington St. in North Tonawanda. This will be our annual holiday party and Chinese auction. I hope you've started to look through your stuff to see if there are things you don't need anymore to donate for the Chinese auction. It was a lot of fun last year thanks to the wide variety of items we had to auction off as well as the great food.

As it was last year it'll be pot-luck, bring a dish to share. To help us with planning, please RSVP by sending an email to brauers_aviators@yahoo.com to let us know you're coming and what delightful treat(s) you're bringing.

MEMBERSHIP RENEWAL TIME

It's that time of year. Your \$75.00 dues are "due" in December. If you haven't paid yet you can bring them to the holiday party or mail a check to our Treasurer:

Al Herrington
6505 Amy Lane
Lockport, NY 14094

Thank you for taking care of this in a timely manner.

NOVEMBER MEETING HIGHLIGHTS

The meeting was very lightly attended which was disappointing as we discussed finances including next year's budget and where we stand, a proposal for hosting an event during the summer and the planning of our holiday party. Why don't you attend meetings? We'd love to know. What would make you more likely to come? In the past we scheduled some how-to presentations. Any interest in doing those again? It's your club. If you have ideas, suggestions or meeting topic requests, please send an email to brauers_aviators@yahoo.com.

INDOOR FLYING OPPORTUNITY

Just as a reminder, there is indoor flying at the North Amherst Rec Center, at 4415 Millersport Hwy. next Thursday 12/5/2024, 2:30 pm. Please use the side door. Call Paul Schwarz with any questions – 716-583-2008.

SUMMER SWAP MEET

The idea of hosting a swap meet at our field was brought up. Sounds like it could be fun and would be a great way to showcase our club and field to people who don't know a lot about us. Kevin Borzilleri has volunteered to be the coordinator. Having a successful event like this will require a lot of help and support from our members to put on a good show. This would also count towards your 4 hour work requirement (BTW it'll probably require more). What we'd actually be able to do will depend on how much interest and volunteer commitment there is. When we have work parties it seems the same group of people come out. This will definitely require more. If you're willing to assist please let Kevin know. His contact info is in the roster.

CPR CLASS

Back in October we mentioned that Paul Schwarz was looking into setting up CPR training for interested club members. He's put a class together:

For all those that are interested, we now have a scheduled date for our CPR/AED approx. 2 hour training session. All are welcome even if you don't belong to an RC club so tell your friends and family about this very worthwhile training.

The class is scheduled for January 17, 2025 starting time 7 PM at the:

Island United Presbyterian Church
