MEMBERSHIP RENEWALS FOR 2022

There are about 17 members who have not yet renewed yet. Please go to our website and fill out the application (to make sure we have your up-to-date information). Please return it along with your dues to Glenn Topolski, 3891 Loveland Rd, N. Tonawanda, NY 14120. Don't forget to review the fields rules on page 2 of the application! <http://www.brauersaviators.org/files/BlankMembershipApplication.pdf>

FEBRUARY 10TH MEETING

We have moved our February meeting to the Moose Lodge at 75 Washington St. in North Tonawanda. The meeting will be at 7PM. Please plan to join us for our first meeting of the year.

CLUB DONATION

We would like to extend an extra special Thank You to the Pulsars club. While it was unfortunate that they were unable to secure a new flying field, they decided to share their club treasury with the AMA and the local clubs. We received a substantial donation from the Pulsars club. Thank you!

HAPPENINGS

A couple of Auctions and Swap Meets will be happening soon.

- Canandaigua Chiefs Auction & Swap Meet – March 19th at the Phelps Fire Department 79 Ontario St. Phelps, NY 14532
- RC Aircrafters Auction – April 3rd at the Ismailia Shrine Center 1600 Southwestern Blvd. West Seneca NY 14224

FACEBOOK PAGE

We recently redid our Facebook page. The page is now by invitation only. Please contact Joe Suarez on Facebook to sign up. Welcome to our new FB administrator Rachael Borzilleri!

3D PRINT A FULL AIRPLANE? YES, YOU CAN!

By Greg Gee

My wife bought me a 3D printer for Christmas. I printed and assembled the Eclipsion Panthera. This is modeled after a full scale airplane. It took 60 hours to print everything. Well, except the servos, pushrods, motor, ESC and battery. We'll see how it flies soon-ish. I cut the graphics, love that vinyl cutter! Still working on the balance. It takes a 3-cell LiPo. A 1300 mah is too small to balance, but a 2600 mah is too much. Need to see if I have any 1800's ...
