JULY MEETING AT THE FIELD AT NOON

Join us for our next meeting Saturday July 8th at noon. Thanks to the generosity of a few of our members, we'll be having a picnic at this meeting. See below for some of the stuff going on at this month's meeting. Please plan to attend (and bring an aircraft or two to fly)!

CLUB OFFICER ELECTION RESULTS

President – Joe Suarez, Vice President – Kevin Borzilleri, Secretary – Dan Yaeger, Treasurer – Al Herrington, Newsletter Editor – Mike Bucklaew.

JUNE AIRCRAFT AUCTION WINNER

The Hanger 9 J-3 Cub that Conrad Kantor donated was auctioned off at the June meeting. It was won by Walt Blazynski for \$150.00 which goes into the club treasury. Thank you Conrad and Walt.

NEWSLETTER EDITOR TRANSITION

As I transition from editor to club secretary, I look back on the 29 years of creating the newsletter for the club. Back in 94, I volunteered to take it over from Barb Golden who had been doing it for a few years. I did this as I had just purchased my first desktop computer. It was state of the art with an Intel Pentium processor and a huge 730mb hard drive and set me back almost \$2,500! Back then, each newsletter was printed, folded, addressed, stamped and put in the mailbox. No emailing of the newsletters back in 1994. Now, I leave Mike with only 1 newsletter to mail each month! Early on, the AMA had a nice newsletter editor group and they would mail out articles we could use which had appeared in other club newsletters. Unfortunately, that came to an end a bunch of years ago. Since then, besides what I could come up with, the club officers and a few other club members would help me out with filling up the newsletter each month. I look forward to seeing what changes Mike will bring to the newsletter format and his fresh perspective on what goes into it.

Thanks to everyone who helped me out over the years to keep our members up-to-date! – Dan Yaeger

AIRCRAFT AUCTION AT THE JULY MEETING

Conrad Kantor has elected to auction off another airplane with the proceeds going to the club. This time, the plane is a Flyzone F4U Corsair. It has a 48" wingspan, retracts and can be flown with either 3 or 4 cell batteries. Please note that if you don't have enough cash available at the meeting to pay for the plane, you can make arrangements with the treasurer to pay him later.
