## FROM THE PRESIDENT

My last contribution as President;

At this time last year the leading comment was "we're off to a slow start". Unfortunately it looks like the same caption for this year. Spring brings budding trees, bright flowers and puddles and mud. Hopefully by the middle of May we will be able to use our flying field without needing a 4 wheeler to get to the field.

The club has come a long way in the last 2 years; we have a nice secluded field, all the necessary easements to get to the field and with the help of many a very nice flying site. That community spirit and willingness to work and contribute in a positive way separates our club from many others. Our membership continues to grow and every new member has something to contribute. One of these contributions comes in the form of the Bloody Barron. It was wonderful to see so many club members embrace, build and fly these sharp little planes, Thank You Gary.

Our club leadership team has been outstanding in their vision of what the club could look like. Their commitment and determination to get the job finished is unmatched. We congratulate Joe Suarez as your new president, Kevin Borzilleri as vice president, Glen Topolski as treasurer, Mike Bucklaew as secretary and Dan Yaeger as newsletter editor.

Glen Topolski and Dan Yaeger make major contributions to the welfare of the club and hardly receive the thanks they deserve, Thank You. There are 2 member that deserves recognition; Dave Raczka our weather station manager, and Dick Brazell for his willingness to run the 50-50 raffle and his expertise in perfectly cooking or burning (your choice) hot dogs for our Winnie fly.

I'm thankful for the opportunity to have been your club president for 2 years and I am humbled by your trust and support.

Until we fly again,  
ALTSU (Always Land Tail Side Up)

## MONTHLY MEETING

Our May meeting is scheduled for Thursday May 13<sup>th</sup> at 7PM. If conditions allow us to get back to the field, it will be held there. If the road is still blocked off (too wet), we will use an alternate location of the parking lot at the Pendleton Town Park next to the old Brauer's Restaurant. We plan to send an email update on the location of the meeting a day or two before the meeting. →

## FIELD CONDITIONS – STILL CLOSED TO VEHICLES

Joe S. Was out at the field the other evening and it is still too wet for vehicles to go back. If you want to walk back, you are free to do so and use the field that way. Please park along the side of the road if you are walking back. DO NOT park in the fire hall parking lot! →

## FOR SALE

Joe Suarez is looking to sell his floats for \$10.00. Please contact Joe if interested (see contact info for the President) →

## AUCTION – BOB SCHEDA'S FLEET

The auctions are over! Will Burley made an offer to purchase most of Bob's fleet. Thanks to Will we sold a bunch of planes and netted the club some extra cash. →
