It's time to get outside! Weather permitting, we plan to have the May meeting at Pendleton Town Park on Campbell Blvd on Thursday May 12<sup>th</sup> at 7PM. Based on field reports that I have heard, the road back to the field won't be ready for us to use it for a meeting by May 12<sup>th</sup>. Please keep an eye on the website and our Facebook page for any updates to the location of this month's meeting.  
Hope to see you there.

## FIELD REPORT – NOT READY TO DRIVE BACK!

Joe S. reported to me that we will get the field rolled once again this year once conditions permit our roller guy (Tom) to get back there. Joe says that the field is in great condition and that the grass filled in nicely again. If we can get a week without rain, maybe it'll get dry enough to access and start using the field. Please keep an eye on our facebook page for future field condition updates. Please use common sense this spring when attempting to drive back. If it looks like you are going to rut up the road, please don't drive back! Thanks for your help!

## FACEBOOK PAGE

We recently redid our Facebook page. The page is now by invitation only. Please contact Joe Suarez on Facebook to sign up. If you don't know which Joe is our Joe on Facebook, look for the picture of Joe with a bi-plane!

If you have topics you'd like to see at the meetings, please make a post on our Facebook page!

For the latest field conditions, please use the FB page to ask. Someone may have been by the field recently and can give you an up to date field report!
