NOVEMBER MEETING AT THE MOOSE LODGE

Join us for our next meeting on Thursday, November 9th at 7:00 PM. 75 Washington St, North Tonawanda. Please plan to attend. We'll be discussing and planning for a Christmas party if there is enough interest.

MEMBERSHIP RENEWAL TIME

It's that time of year. Your \$50.00 dues are "due" by the December meeting. Thank you for taking care of this in a timely manner.

FALL/WINTER FLYING

While the charging and weather stations are taken down and the porta-potty is closed, the field is still open. Snow and rain = Soggy Field. Driving back in these conditions will cause ruts. Be smart and do your part to keep our field in good shape. Just because winter is almost here doesn't mean you can't get out and fly something. Skis and floats work great. Keep your batteries warm but it's probably not a good idea to keep them in your pockets. Winter flying at Day road or Gratwick park is always an option when we can't get to ours.

NEW MEMBER WELCOME

Please welcome our newest member Ben Rothstein to the club.

NEW WINDSOCK

The old windsock has been retired and we have a new one that will go up in the Spring. Funny how it faded and wore out between the sun and one or two planes beating on it.
